Dear Church Members:

The Bible encourages regular systematic giving as a way of offering our "first fruits" to God. One way of providing for regular giving is through electronic payment of your offerings directly from your checking or savings account. The church provides this service to interested members on a voluntary basis as a convenient alternative to check writing. Electronic payment requests will be made directly to your financial institution on the 10th of each month.

If you are currently enrolled and would like to change your monthly contribution **or** if you are not currently enrolled and would like to begin using this service, please **complete the form below and return it along with a voided check**. You can mail your completed form and voided check to the church at 116 S. Loudon Street or drop it by the church office. You will receive confirmation before the service begins.

Thank you,
Jennifer White
